

## 10.2" WideA102VW01

| Size                         | 10.2" Wide            |
|------------------------------|-----------------------|
| Model                        | A102VW01              |
| Resolution (pixel)           | 800 R.G.B. x 480      |
| Active Area (mm)             | 222.00 x 133.20       |
| Pixel Pitch (mm)             | 0.093 x 0.278         |
| View Angle (U/D/L/R) (CR>10) | 50 / 65 / 65 / 65     |
| Brightness (cd/m2)           | 400                   |
| Contrast Ratio               | 300 : 1               |
| Response Time (ms) (at 25°C) | 30                    |
| Power Consumption (W)        | 4.80                  |
| Interface                    | Digital R.G.B (6 bit) |
| Supply Voltage (V)           | 3.3                   |
| Light Source                 | CCFL                  |
| Weight (g)                   | 335                   |
| Production                   | Now                   |
